

A LEGACY OF INNOVATION + TECHNOLOGY

# THE NEW GENERATION OF SUBWOOFERS

**PROFICIENT**  
AUDIO

# HIGH POWER FRS

Signature Series

8" | 10" | 12"

- Ultra-Compact Power to Size Ratio
- High-Power 1000 Watt Amplifier
- High Back EMF Fiberglass Drivers
- App Based DSP with Auto Room Correction
- Luxury Piano Black Cabinet
- App Based BLE | Wireless Ready

8" FRS  
SUBWOOFER

12" FRS  
SUBWOOFER

THE NEXT EVOLUTION OF *Sunfire* TECHNOLOGY IS INSIDE.

## REFERENCE **FTEQ**

---

- Force Cancelling Dual 12" Kevlar Drivers
- Dual Mono Block 1000 Watt Amplifiers
- RCA and XLR Balanced Input/Output
- Luxury Piano Black Cabinet
- Integrated Wireless Audio Capability
- App Based DSP with Auto Room Correction

## TRIPLE DRIVER **FDS** Protege Series 8" | 10" | 12" | 15"

---

- Triple Drivers; Single Active Paired with Dual Passive
- Built-In 5v USB for Optional Wireless Audio Kit
- 400/500/600/1000 Watt Power Rating
- Smooth, Matte Black Finished Cabinet

## ALL NEW Sub Station App

---

Intuitively designed for simple subwoofer setup. Tuning control is seamlessly managed from the app. An auto-EQ function to correct for room anomalies, allows for optimal performance and flexible subwoofer placement regardless of room size or shape.

## Wireless Subwoofer Kit

### PAS-WIR-SUB-KIT

A new optional Wireless Audio Kit will reduce cable clutter for a cleaner setup. Connect the transmitter to your A/V source and the receiver to your subwoofer and you're ready for plug-and-play bass. All you need is a power source for the sub to place anywhere in a room.
